

“Our vision of a new community building in the heart of Radford caught the imagination of many, including Nottingham Artist Dawn Wilsher.

Dawn wanted to help us with our fundraising so donated some of her best work, for us to display and ultimately sell, to fund our motivation for a beautiful new Centre for local people to be proud of.

Due to restrictions, we are limited to how we can show these pictures to those who might enjoy them and hopefully be interested in purchasing some. Therefore, please have a look at some samples of her work and tell us if you wish to see more. All proceeds would go to our charity so it's a win win for everyone!

Radford Care Group has been running services for older people in Nottingham since 1968. We do a fantastic job and support people to live independently for as long as possible. It's fun, it's caring, and it's inclusive, that's why we are still here 53 years later.

We also look forward to offering the space at our brand spanking new Centre for many other ambitious projects when restrictions allow.

Please help us to keep going and beautify your walls with one of Dawn's exclusive and original paintings.”

Thank you

Jill Davies - Chief Executive Officer
